REPORT OF THE AUDITOR GENERAL

I have the honour to submit the Report of the Auditor General for Canada for the fiscal year ended 31st March, 1909, including statements in detail of the Expenditure and Revenue of the Dominion of Canada for that period.

I have to report that there have been no Treasury Board over-rulings of the Auditor General's decisions since the date of my last report.

I would respectfully suggest that the question of condensing the details of Expenditure should be considered as the large increase of business of the Dominion and the limited time for the preparation and printing of the report make it almost impossible to present it within a reasonable time after the opening of Parliament.

Owing to the rapid development of the Dominion and the large and important works under construction, the efficient audit of accounts requires a technical knowledge obtainable only after a long experience or special study. Many of the present staff are possessed of these qualifications, but it would greatly enhance the value of the work to have on the staff of the office a Civil Engineer of ability and experience to examine works under construction and give the benefit of his technical knowledge to the examiners of accounts, as there are many other matters connected with contracts which are, at least, as important as the mathematical accuracy of progress estimates submitted for payment.

During the last session of Parliament a sub-committee of the Public Accounts Committee examined and reported on the assets and liabilities of the Dominion. I would respectfully suggest that during the present session an examination of the arrears due should be made and all those found to be non-collectible written off the books of the several Departments.

J. FRASER,
Auditor General.

Memorandum.

DEPT. OF THE INTERIOR, OTTAWA, November 5, 1909.

The Deputy Minister of the Interior.

I beg to attach hereto a statement of all arrears due the department through this branch on the 31st of March last which are still unpaid, amounting in all to \$372,139.78. It will be observed that these arrears are made up almost entirely of payments due on account of sales of coal mining lands and amounts due for royalty on coal mined. A number of large payments on account of the purchase price of coal mining lands are somewhat in arrears, but the department in all cases collects interest on the overdue payments at the rate of five per cent per annum. All of these amounts are quite collectable and payment will be made in the near future of the full amount due to the Crown on account of the purchase price of coal mining lands, with interest. In the majority of cases failure to make payment has been due to the very large initial expenditure incurred by the purchasers in the opening up of the mine and the installation of an efficient colliery plant.

The royalty arrears show a very considerable increase over last year. This is somewhat misleading, since, as a matter of fact, the amount due for royalty has been very materially reduced. When the last statement of arrears was furnished the coal operators had not furnished returns to date, showing the quantities of coal mined, that the department was not aware of the full amount of their indebtedness. Since then not only complete returns of operations have been obtained, but such returns have been carefully checked with the books of the operating companies, so that the department has now an absolutely correct statement of the exact amount of coal mined by each company, which has very materially increased the amount shown to be due for royalty. Failure to make payment in full of the amount due for royalty is due to the same cause as failure to pay the arrears on account of the purchase price, namely, the large initial expenditure incurred in opening and equipping the mine.

The great bulk of these arrears is due by five companies, and these companies are now paying up their indebtedness at the rate of \$7,500 per month, as well as keeping up the royalty on the current output, and at this rate of payment their indebtedness will be totally wiped out in about two and one-half years.

Respectfully submitted,

H. H. ROWATT.

SESSIONAL PAPER No. 1

DEPT. OF MARINE AND FISHERIES, OTTAWA, November 12, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 8th instant, asking to be furnished with a list of the arrears due for fisheries revenue and wharfs and piers and dues.

In reply I am to inform you that there are no arrears due the above service.

I am, sir, your obedient servant,

The Auditor General.

G. J. DESBARATS, D.M., M. & F.

AUDIT OFFICE, OTTAWA, November 8, 1909.

SIR,—I have received your letter of the 5th, inclosing statement of arrears due on account of slides and booms revenue and of Ottawa rents.

No statement is furnished of the arrears due at St. Maurice district.

The arrears due at Ottawa River Works in 1908 amounted to \$11,297.75. Comparing this return with that now furnished, I find that not one dollar has been paid, and the amount due by J. R. Booth for Cheneaux boom has increased from \$1,912.41 to \$3,515.15.

The arrears due at Saguenay Works amount to \$5,624.82 accrued in 1906-7 and 1908, which are disputed.

It is desirable that these arrears should not be allowed to increase. When the dues are disputed, the question should be disposed of without delay.

The amount due for Ottawa rents has increased from \$611.40 to \$1,184.50. Have any of these amounts been since paid?

I am, sir, your obedient servant,

The Deputy Minister of Public Works.

J. FRASER, A.G.

DEPT. PUBLIC WORKS, OTTAWA, November 26, 1909.

SIR,—With further reference to your favour of the 8th instant, *re* arrears due on account of slides and booms revenue and Ottawa rents.

I beg to say that the reason no statement of arrears for St. Maurice district was sent this year was that no change had taken place in this account from the previous year, and I am informed it has not been the custom for some years past to send statements under these circumstances. However, in forwarding the papers this fact should have been mentioned in the letter of the Collector of Revenue.

With regard to increase in Cheneaux boomage, due by Mr. J. R. Booth, this has since been paid.

The Saguenay accounts have recently been thoroughly considered and I think this matter is now in shape for a settlement very shortly.

As regards the Ottawa rents, although the statement sent you shows amount uncollected on the 31st March, 1909, as \$1,184.50, there now remains only the sum of \$423.75 uncollected, and it is expected that before long this amount will be substantially reduced.

I am, sir, your obedient servant,

The Auditor General.

J. B. HUNTER, D.M.

9-10 EDWARD VII., A. 1910

AUDIT, OFFICE, OTTAWA, November 8, 1909.

SIR,—I have received from your department statement of arrears due on account of slides and booms and rents.

No statement of arrears due on account of telegraph revenue, nor on account of advances not accounted for has been furnished.

Your early attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Public Works.

J. FRASER, A.G.

DEPT. OF PUBLIC WORKS, OTTAWA, November 15, 1909.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th instant on the subject of arrears due on account of telegraph revenue and on account of advances.

In reply I am to state that your letter has been referred to the Accountant and Superintendent of telegraph for necessary attention.

I am, sir, your obedient servant,

The Auditor General.

NAPOLEON TESSIER, *Secretary*.

Railways and Canals Department.

For correspondence *re* arrears due see W—525-534.

AUDIT OFFICE, OTTAWA, September 13, 1909.

SIR,—In the statement of arrears due, furnished September 1st, 1908, there appears the name of Judge Cain for commission, \$20.

In the statement furnished 9th instant, this name does not appear, and it does not seem to have come to account. Please explain.

I am, sir, your obedient servant,

The Under Secretary of State.

J. FRASER, A.G.

SECRETARY OF STATE DEPT., OTTAWA, September 14, 1909.

SIR,—Replying to the inquiry in your letter of the 13th instant, respecting the omission of Judge Cane's name from the list of arrears furnished you on the 1st instant, I beg to say that Judge Cane is dead. In these circumstances I considered myself justified in regarding the item as uncollectable.

I am, sir, your obedient servant,

The Auditor General.

Re Archives Expenditure.

AUDIT OFFICE, OTTAWA, June 8, 1909.

SIR,—Referring to your expenditure on account of Archives, fiscal year 1908-9, I notice these payments made by your department through the High Commissioner:—

Voucher 37, a payment of £60 to Mrs. M. J. Hendy on account of her husband, J. G. Hendy. The only voucher for this payment is a letter from Mrs. Hendy acknowledging the receipt of the money. What does this payment represent, and what connection has it with the Archives service? Please supply complete voucher and information.

Mr. H. P. Biggar has charged in his expense statements his income tax for two years, 1907-8, £9 ss. 3d., 1908-9, £9 15s. 9d. This does not appear to be a proper charge on the service.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

This has not been done in these cases. Please cause a settlement to be made as soon as possible.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

DEPT. OF AGRICULTURE, OTTAWA, June 26, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd instant, calling attention to certain expenditures from the exhibitions vote during the fiscal year 1908-9, and to make the following explanations with respect to the same.

London Exhibition.

Cheque No. 7720, Miss R. J. Barrett. Miss Barrett has been requested to refund \$10 overpaid, and on receipt of same your office will be duly notified.

Cheque No. 4256, F. L. Dery, which apparently includes item \$15 already paid to Jasne Dery. Mr. F. L. Dery has been requested to furnish an explanation of this item and if an overpayment has been made to refund the \$15 at once.

Cheques Nos. 1961 to 1969. Copies of invoices for tobacco samples purchased from E. N. Cusson & Co., et al, are enclosed herewith.

Voucher No. 2669. The item of \$162.50, travelling expenses of Hon. A. Boyer, Montreal to London, is made up as follows: Montreal to New York \$12.50, New York to London \$150.

Voucher No. 2283. The engine and plant have been sold for £2,100, to be paid in six monthly instalments of £350 each, the first of which became due on May 1, 1909. The High Commissioner has been requested to take steps to collect these amounts.

Voucher 2218, which includes charges for signs used by exhibitors. The arrangements with exhibitors was that the Exhibition Commissioner should have entire control of their exhibits, including the supplying of signs in connection therewith.

Vouchers 2365, 2977 and 3570. The account with Thos. Meadows & Co. is an open one, and the final settlement cannot be made until the account for the storage of exhibits still in London and freight charges on exhibits shipped from London to Seattle are received.

Edinburgh Exhibition.

Voucher 74, Alexander Meitch, hire of sewing machine four weeks at 5s., £1 5s., should read five weeks, instead of four.

Voucher 304, Thos. Meadows & Co., explanation is the same as for vouchers 2365, 2977 and 3570.

Seattle Exhibition.

Cheque 8242. The explanations of Mr. Girardot's charges for single fares each way between Ottawa and Windsor and Ottawa and Montreal are these: After his arrival from London, Mr. Girardot returned to his home at Windsor by Canadian Pacific Railway. He was subsequently summoned to Ottawa by the Exhibition Commissioner, and afterwards sent to Montreal, at which time it was expected that he would have to go direct to Toronto from Montreal. This was afterwards found to be unnecessary, and Mr. Girardot was recalled to Ottawa.

Advances Unaccounted for.

The advances to Messrs. Hutchison, Anderson, Dalglish, Despard, Girardot, Haines, Tolmie and Turcotte have all been accounted for in the April and May accounts to hand.

The advances to G. M. Bayly were on account of his professional services in connection with the erection of the Canadian Building at Seattle. It is understood that this building is now completed and a final settlement will be made with Mr. Bayly, the details of which will be in due course forwarded to your office.

I am, sir, your obedient servant,

The Auditor General.

A. L. JARVIS, *Act. D.M.*

AUDIT OFFICE, OTTAWA, October 1, 1909.

SIR,—In further reference to my letter of July 2, 1909, and your reply of July 3, forwarding to this office original contract and plans in connection with the construction of the Canadian Pavilion at the Franco-British Exhibition, I have to state that the vouchers, accounts and statements bear no evidence of having been examined and passed upon by Mr. Hutchison or his staff.

The accounts should be certified by the architect and official under whose supervision the work was carried on on behalf of the department, that they are correct in every detail and that the work was in accordance with the terms of the contract. The charges by the contractor, under the heading of Merchants' Accounts, representing his outlay for work under sub-contract, should be supported by the original detailed accounts—a statement containing names of sub-contractors and amounts is the only voucher furnished.

A charge of £3,100 (page 54, March acct.) as paid to Messrs. Rome & Co., for plastering, has as its voucher, on page 55, an account in which there is this extension:—

March 31, 1908, To 8,000 yds. plaster slab delivered on
site at 2s. 9d... .. £1,600 0 0

The extension amounts to £1,100, a difference of £500, and with the 15 per cent allowed to contractor, makes on this statement an apparent overpayment of £575 or \$2,798.33.

Was the work done under the supervision of an architect in the employ of the department?

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, *A.G.*

SESSIONAL PAPER No. 1

Re Live Stock Industry Expenditure.

AUDIT OFFICE, OTTAWA, September 3, 1909.

SIR,—Referring to your expenditure on account of 'encouragement of live stock industry,' fiscal year 1908-9, no vouchers have been returned to this office against your payments by cheques Nos. 4865 to 4960, inclusive, in October, 1908, for prizes.

Please let me have your authority for these payments, including copies of all correspondence and other vouchers.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture.

J. FRASER, A.G.

DEPT. OF AGRICULTURE, OTTAWA, September 15, 1909.

SIR,—I am in receipt of your letter of the 3rd instant, asking for the authority for certain payments made by cheques Nos. 4865 to 4960, inclusive, from the vote for the encouragement of the live stock industry,' for the fiscal year 1908-9.

These payments were for prizes awarded to French-Canadian horses at the French-Canadian Horse Show held at St. Johns, Que., in September of last year. In the preceding May the minister had authorized that the department offer prizes amounting to \$755 for competition at the French-Canadian Horse Show, which were divided as follows, viz.: \$500 for stallions kept within the province during the season, and \$255 for mares to be bred to the prize winning stallions, and it was decided that in the case of the stallions and of the mares awarded the first five prizes, only half the prize money should be paid in 1908, the other half to be paid at the close of the following season subject to the fulfilment of certain conditions as to service. Cheques amounting to \$430 were, therefore, issued on account of the \$755 prize money offered by the department.

The minister, who was present at the show, and was highly pleased with the success of the same, on it being represented to him by the judges that they considered the number of prizes offered was not in proportion to the number of horses exhibited, and that every animal shown was well deserving of a prize, decided to give a special prize of \$5 to all those who had not received one of the prizes on the list. Cheques for these special prizes were, therefore, issued to the exhibitors other than prize winners whose names were furnished by the secretary of the French-Canadian Horse Breeders Association.

In your letter you ask for copies of all correspondence and other vouchers. There are no vouchers, properly speaking, and the correspondence is somewhat voluminous. I can, of course, have copies made if you still desire it, or perhaps your purpose would be served if one of your officers were to come to the department and go through the file of papers.

I am, sir, your obedient servant,

The Auditor General.

SESSIONAL PAPER No. 1

AUDIT OFFICE, OTTAWA, March 30, 1909.

Re Customs Revenue. Sub-Collectors' Returns.

SIR,—I assume that Collectors forward to your Department, with their monthly returns, the returns of the Sub-Collectors.

These returns are not forwarded to this office with the Collectors' returns, and I have to request that in future they may be.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, April 6, 1909.

SIR,—I have the honour to acknowledge the receipt of your letter of the 30th ultimo, respecting Sub-Collectors' Returns.

In reply I am to point out that the Sub-Collectors' Returns are sent to the Chief Port only. A return, however, on Form K—10 A. containing the information on the Sub-Collector's weekly report E—8), is now forwarded direct to the Auditor General, and to the Department of Customs, each week. The Sub-Collector's accounts may thus be checked with the Collector's Monthly Return K—2.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, April 1, 1909.

Re Customs Revenue—Outports.

SIR,—The practice seems to be that Sub-Collectors make weekly returns and remittances to the Collectors. In ordinary cases, where the receipts are not large, this may be satisfactory. Where the collections are large the remittances should be more frequent. The collections at Nelson, B.C., for the month of December, amounted to \$9,240.03 and a daily deposit was made. The collections at Fernie, an outport of Nelson, for December amounted to \$13,873.90, which he remitted by four marked cheques. This Sub-Collector should deposit his collections to credit of Receiver General and should make a daily deposit.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, A.G.

DEPARTMENT OF CUSTOMS, OTTAWA, April 5, 1909.

SIR,—I beg to acknowledge the receipt of your letter of the 1st instant, respecting remittances from outports, in which you state that while in ordinary cases weekly remittances may be satisfactory, in the case of the outport of Fernie the Sub-Collector should deposit his collections to the credit of the Receiver General and make a daily deposit.

You are advised that Fernie was erected a Chief Port of Customs on the 1st of the present month, and hereafter the Collector's remittances will be made every second day to the credit of the Receiver General.

I am, Sir, your obedient servant,

The Auditor General.

JOHN McDOUGALD, *Commissioner of Customs.*

DEPARTMENT OF CUSTOMS, OTTAWA, April 30, 1909.

Customs Revenue.

SIR,—I have the honour to acknowledge the receipt of your letter of the 16th instant, respecting a certificate to be signed by officers of this Department and attached to Collectors' Monthly Returns, Form K-2.

In reply I am to state that (subject to your concurrence) a certificate signed by the Accountant and Examining Officers in the following form—which I trust will meet the case, will be placed on the Monthly Statement of Customs Revenues which you now receive along with Collectors' Monthly Accounts, Form K-2, viz.:—

I certify that this statement has been prepared from the Collector's Monthly Accounts submitted herewith, and that such accounts have been checked with the daily entries and deposits made in acquittance, and found correct: I also certify that returns have been received from all Sub-Collectors connected with the Ports on this statement and they are accounted for in this statement.

Examiners :—

Accountant.

The certificate on the statement in place of that on Form K-2 will save a multiplicity of certificates and signatures, and I hope will cover the ground required.

I may explain that the daily entries do not accompany the Monthly Form K-2 to this Department.

The entries are sent to the Department of Customs daily, tri-weekly or weekly, as the case may be, according to circumstances, and are accompanied by a sheet (F-1) which shows the number of each entry in consecutive order and the total duty on each entry.

The sheet (F-1) is first checked with the entries in the Statistical Branch, and is then initialled and transferred to the Accountant's office, where it is checked with Collectors' deposits and where the deposits are also checked with the accounts on Form K-2.

I am, Sir, your obedient servant,

JOHN McDOUGALD, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, May 4, 1909.

SIR,—I have received your letter of April 30, in reply to mine of the 16th, suggesting a form of certificate to be attached to the Collectors' monthly accounts, Form K-2.

You propose to have this certificate, slightly altered, attached to the Departmental statement furnished monthly to this office.

It is not practicable that these Customs returns should be fully examined in this Office, hence the necessity that evidence should be furnished that they are thoroughly examined in your Department.

While a certificate on each Collector's return would be preferable, yet if a certificate on the Departmental return will save work and will, in your opinion, be equally reliable, I am satisfied.

I am, Sir, your obedient servant,

The Commissioner of Customs.

J. FRASER, *A.G.*

SESSIONAL PAPER No. 1

Quebec Tercentenary Celebration

AUDIT OFFICE, OTTAWA, March 24, 1909.

SIR.—The enclosed statements of expenditure, with vouchers, in connection with the visit of H. R. H. the Prince of Wales to the Quebec Tercentenary Celebration were sent direct to me by Sir John Hanbury-Williams and Mr. Joseph Pope.

Before dealing with them I am sending them to you for departmental audit, as all the other accounts of the celebration have been examined by your department before reaching me.

I am, sir, your obedient servant,

The Deputy Minister of Finance.

J. FRASER, A.G.

DEPARTMENT OF FINANCE, OTTAWA, September 28, 1909.

SIR,—I have the honour to enclose herewith the vouchers and statements received through your department on March 27 last from Sir John Hanbury-Williams and Mr. Pope, connected with the expenditure incurred under the authority of order in council of April 28, 1908, for the reception and entertainment of His Royal Highness and guests who may be accommodated at the Citadel, and also the representatives of the governments of France and of the United States, during the Tercentenary Celebration at Quebec, in the summer of 1908.

The statement shows an expenditure of \$43,654. This expenditure being for the purposes of entertainment, it cannot be expected that the vouchers would be as complete as those for a different service. Many of the items included in the statement have no vouchers of any kind, and such as were imperfect or inconclusive were made the subject of an application addressed to Mr. Pope on the 22nd instant. A copy of this application and Mr. Pope's reply thereto is annexed to the vouchers and statements now sent.

I am, sir, your obedient servant,

The Auditor General.

J. R. FORSYTH, for D.M. F.

DEPARTMENT OF FINANCE, OTTAWA, September 22, 1909.

DEAR MR. POPE,—The Auditor General sometime ago handed over to this department the vouchers, &c., relating to the expenditure in connection with the reception to the Prince of Wales at the Quebec Tercentenary Celebration. The arrangements in connection with the reception in question were by order in council of May 5 last delegated to Sir John Hanbury-Williams and yourself. I have had the accounts duly examined.

While recognizing the difficulties which necessarily attend the control of outlays of the character involved, there are one or two points on which I should be very glad to receive a word or two of explanation:

1. With regard to the item of \$24,648.14, representing expenditure incurred by the Governor General in connection with the preparation of the Citadel at Quebec for the reception of His Royal Highness and other guests, together with their entertainment, which account was approved by the Right Honourable Sir Wilfrid Laurier, it is assumed that this outlay is apart altogether from the expenditures incurred by the Public Works Department under the authority of the order in council of April 6, 1908.

2. The accounts cover payments for sundry material, supplies, typewriter, &c., and do not show the final disposal of these.

* * * * *

9-10 EDWARD VII., A. 1910

4. The expenditure of \$239.60 for rent of Room 317 in the Chateau Frontenac, used as an office from July 18 to 31, 1908—there should be a brief explanation as to the conditions which necessitated the payment of such a substantial amount for the purposes indicated.

I should be very much obliged if you would give the subject of this letter your consideration.

I am, sir, your obedient servant,

The Under Secretary of State for External Affairs. T. C. BOVILLE, D.M. F.

DEPT. OF EXTERNAL AFFAIRS, OTTAWA, September 23, 1909.

DEAR MR. BOVILLE,—I have to acknowledge the receipt of your letter of the 22nd instant, asking for some explanations with regard to the expenditure in connection with the reception of the Prince of Wales at Quebec Tercentenary Celebration last year:—

1. The item of \$24,648.14, expenditure incurred by the Governor General, is altogether apart from any expenditure incurred by the Public Works Department. It represents a portion of the expenses incurred by His Excellency in receiving and entertaining H. R. H. the Prince of Wales and other distinguished persons at the Citadel, during the celebration.

2. The material, supplies, &c., left over were disposed of roughly as follows:—

I sent the carpet, rugs, flags, bunting, &c., &c., to the Department of Public Works. I sold the tent and awning for \$100, which amount I have to-day sent to Mr. Courtney as a refund. I may observe that I only got the cheque from the Department of Agriculture (to whom I sold the tent) two or three days ago, which will explain the delay in refunding.

3. After I had finished with the typewriter I purchased for the occasion, I placed it in the Department of the Secretary of State. It was used in that department until I became Deputy Head of the Department of External Affairs, when I brought it, and another typewriter I had obtained under similar circumstances, over to my new department, where they are both in use.

* * * * *

5. With reference to the expenditure of \$239.60 for office rent at the Chateau Frontenac, I may say that the room was engaged for an office as far back as March, 1908, at a rate of \$16 a day. It was in use as such for fourteen days in July, which amounts to \$224. The difference of \$15 is made up of certain small items connected with the room, of which I have no particulars at present, but I dare say I could procure them if necessary.

An office on an occasion of this sort is absolutely necessary. I could not be expected to receive the numbers of persons with whom I had relations, and attend to my very large correspondence in my bedroom, besides which I had to have a place for my secretary to work in, as his room was entirely too small for the purpose. The price charged for the office is no doubt high, but it was almost impossible at that time to get a room at any price. Colonel Hanbury-Williams and myself made arrangements for the rooms several months ahead, and we made the best bargain we could. Had I engaged that room in the month of July, I should have had to pay double the rate for it, provided I could have got it at all, which is very doubtful.

I shall be glad to afford you any further information I can respecting this expenditure that you may desire.

I am, sir, your obedient servant,

The Deputy Minister of Finance.

JOSEPH POPE.
